Grading System

Definition and Explanation of Grading System

A Completion of course requirements in an outstanding manner, reflecting a degree of accomplishment that is exceptional. RA Remedial A. Used for developmental courses only. Grade is not counted in hours earned nor in grade point average. B Completion of course requirements in an entirety of acceptable manner, demonstrating an excellent graph of the subject meters, and the literatory and the literatory of the subject meters, and the literatory and the literatory of the subject meters, and the literatory and the possibility of successful completion of the course requirements in an acceptable manner, reflecting a basic understanding of the same subject and the possibility of successful completion of further courses in the same subject and the possibility of successful completion of further courses in the same subject and the possibility of successful completion of the instructor, but not in such a manner that higher level courses in the same area can be recommended. Remedial D. Used for developmental courses only. Grade is not counted in hours earned nor in grade point average. Remedial D. Used for developmental courses only. Grade is not counted in hours earned nor in grade point average. Remedial P. Used for developmental courses only. Grade is not counted in hours earned nor in grade point average. Remedial P. Used for developmental courses only. Grade is not counted in hours earned nor in grade point average. Remedial P. Used for developmental courses only. Grade is in the incomplete grade point average. Remedial P. Used for developmental courses only. Grade is in the incomplete grade point average. Remedial P. Used for developmental courses on the threats, an outstanding defense of the thesis, or an outstanding believe o	Grade	GPA	
only, Grade is not counted in hours earned nor in grade point average. B Completion of course requirements in an entirely 3 acceptable manner, demonstrating an excellent grasp of the subject matter, and the likelihood of successful completion of further courses in the same area. RB Remedial B. Used for developmental courses only, Grade is not counted in hours earned nor in grade point average. C Completion of the course requirements in an acceptable manner, reflecting a basic understanding of the subject matter of the course and the possibility of successful completion of further courses and the possibility of successful completion of further courses in the same subject area. RC Remedial C. Used for developmental courses only, Grade is not counted in hours earned nor in grade point average. D Fulfillment of the minimum performance 1 requirements prescribed by the instructor, but not in such a manner that higher level courses in the same same area can be recommended. RD Remedial D. Used for developmental courses only, Grade is not counted in hours earned nor in grade point average. F Fulfillment of the course, competence in 0 the subject matter of the course, and/or failure to fulfill the requirements of the course and nor in grade point average. F Failure to demonstrate acceptable competence in 0 the subject matter of the course, and/or failure to fulfill the requirements of the course. RF Remedial F. Used for developmental courses only, Grade is not counted in hours earned nor in grade point average. I I Incomplete. Allows for an additional amount of time to complete a course, given at the discretion of the instructor per the Incomplete Grade Policy. HP High Pass. Outstanding academic progress on the thesis, or an audstanding defense of the thesis, or a satisfactory defense of the thesis, a satisfactory defense of the thesis, or an audstanding defense of the thesis, or an audsta	A	outstanding manner, reflecting a degree of	4
acceptable manner, demonstrating an excellent graps of the subject matter, and the likelihood of successful completion of further courses in the same area. RB Remedial B. Used for developmental courses only. Grade is not counted in hours earned nor in grade point average. C Completion of the course requirements in a canadiscourse and the possibility of successful completion of further courses and the possibility of successful completion of further courses and the possibility of successful completion of further courses in the same subject area. RC Remedial C. Used for developmental courses only. Grade is not counted in hours earned nor in grade point average. D Relifilment of the minimum performance of requirements prescribed by the instructor, but not in such a manner that higher level courses in the same such as a manner that higher level courses in the same same area can be recommended. RD Remedial D. Used for developmental courses only. Grade is not counted in hours earned nor in grade point average. F Failure to demonstrate acceptable competence in 0 the subject matter of the course, and/or failure to fulfill the requirements of the course. RF Remedial F. Used for developmental courses only. Grade is not counted in hours earned nor in grade point average. I Incomplete. Allows for an additional amount of time to complete a course, given at the discretion of the instructor per the Incomplete Grade Policy. HP High Pass. Outstanding academic progress on the thesis, or an outstanding defense of the thesis, or an outstanding thesis. Credit is avarded, but the grade point average. RP Assection of the same and the course of the thesis, or an outstanding thesis or coultable the grade point average. RP Assection of the same and the course of the thesis, or an outstanding thesis or developmental course only. Or additional amount of the same and the same	RA	only. Grade is not counted in hours earned nor in grade point average.	
only, Grade is not counted in hours earned nor in grade point average. C C Completion of the course requirements in an acceptable manner, reflecting a basic understanding of the subject matter of the course and the possibility of successful completion of further courses in the same subject area. RC Remedial C. Used for developmental courses only. Grade is not counted in hours earned nor in grade point average. D Fulfilment of the minimum performance 1 requirements prescribed by the instructor, but not in such a manner that higher level courses in the same area can be recommended. RD Remedial D. Used for developmental courses only. Grade is not counted in hours earned nor in grade point average. F Fallure to demonstrate acceptable competence in 0 the subject matter of the course, and/or failure to fulfill the requirements of the course. RF Remedial F. Used for developmental courses only. Grade is not counted in hours earned nor in grade point average. I I longified the requirements of the course. RF Remedial F. Used for developmental courses only. Grade is not counted in hours earned nor in grade point average. I I longified here in the course of the their course of the their course on the their course only. Grade is not counted in hours earned nor in grade point average. I longified here in the course of the their	В	acceptable manner, demonstrating an excellent grasp of the subject matter, and the likelihood of successful completion of further courses in the	3
an acceptable manner, reflecting a basic understanding of the subject matter of the course and the possibility of successful completion of further courses in the same subject area. RC Remedial C. Used for developmental courses only. Grade is not counted in hours earned nor in grade point average. D Fulfillment of the minimum performance 1 requirements prescribed by the instructor, but not in such a manner that higher level courses in the same area can be recommended. RD Remedial D. Used for developmental courses only. Grade is not counted in hours earned nor in grade point average. F Failure to demonstrate acceptable competence in 0 the subject matter of the course, and/or failure to fulfill the requirements of the course. RF Remedial F. Used for developmental courses only. Grade is not counted in hours earned nor in grade point average. I locomplete. Allows for an additional amount of time to complete a course, given at the discretion of the instructor per the Incomplete Grade Policy. HP High Pass. Outstanding academic progress on the thesis, or an outstanding defense of the thesis, or an outstanding defense of the thesis, or an outstanding academic progress on the thesis, or an outstanding defense of the thesis, or an outstanding helps. Credit is awarded, but the credit hours are not used to calculate the grade point average. (Used for graduate-level thesis courses only.) Respectively as a statisfactory decides on the thesis, or a satisfactory academic progress on the thesis, a statisfactory academic progress on the thesis, a statisfactory academic progress on the thesis, as a statisfactory academic progress on the thesis, or an additional amount of the course and the statisfactory academic progress on the thesis, or an additional amount of the course and the calculate the grade point average. Also listed as Pass. At the graduate level, represents statisfactory academic progress on the thesis, or a satisfactory defense of the thesis, or a satisfactory defense of the thesis, or a satisfactory academic	RB	only. Grade is not counted in hours earned nor in	
only. Grade is not counted in hours earned nor in grade point average. D Fulfillment of the minimum performance 1 requirements prescribed by the instructor, but not in such a manner that higher level courses in the same area can be recommended. RD Remedial D. Used for developmental courses only. Grade is not counted in hours earned nor in grade point average. F Failure to demonstrate acceptable competence in 0 the subject matter of the course, and/or failure to fulfill the requirements of the course, and/or failure to fulfill the requirements of the course, and/or failure to fulfill the requirements of the course, and/or failure to fulfill the requirements of the course, and/or failure to fulfill the requirements of the course, and/or failure to fulfill the requirements of the course, and/or failure to fulfill the requirements of the course, and/or failure to fulfill the requirements of the course, and/or failure to fulfill the requirements of the course, and/or failure to fulfill the requirements of the course, and/or failure to fulfill the requirements of the course, and/or failure to fulfill the requirements of the course, and/or failure to fulfill the requirements of the course, and/or failure to fulfill the requirements of the course, and/or failure to fulfill the requirement fulfill the req	С	an acceptable manner, reflecting a basic understanding of the subject matter of the course and the possibility of successful completion of	2
requirements prescribed by the instructor, but not in such a manner that higher level courses in the same area can be recommended. RD Remedial D. Used for developmental courses only. Grade is not counted in hours earned nor in grade point average. Failure to demonstrate acceptable competence in 0 the subject matter of the course, and/or failure to fulfill the requirements of the course. RF Remedial F. Used for developmental courses only. Grade is not counted in hours earned nor in grade point average. I Incomplete. Allows for an additional amount of time to complete a course, given at the discretion of the instructor per the Incomplete Grade Policy. HP High Pass. Outstanding academic progress on the thesis, or an outstanding thefense of the thesis, or an outstanding thefense of the thesis, or an outstanding the subject of graduate-level thesis courses only.) P or Pass Pass. Credit is awarded, but the credit hours are not used to calculate the grade point average. (Used for graduate-level thesis courses only.) RP Remedial Pass. Used for developmental courses only. Remedial Pass. Used for developmental courses only. Grade is not counted in hours earned nor in	RC	only. Grade is not counted in hours earned nor in	
only. Grade is not counted in hours earned nor in grade point average. Failure to demonstrate acceptable competence in 0 the subject matter of the course, and/or failure to fulfill the requirements of the course. RF Remedial F. Used for developmental courses only. Grade is not counted in hours earned nor in grade point average. I Incomplete. Allows for an additional amount of time to complete a course, given at the discretion of the instructor per the Incomplete Grade Policy. HP High Pass. Outstanding academic progress on the thesis, or an outstanding thesis. Credit is awarded, but the credit hours are not used to calculate the grade point average. (Used for graduate-level thesis courses only.) P or Pass Pass. Credit is awarded, but the credit hours are not used to calculate the grade point average. Also listed as Pass. At the graduate level, represents satisfactory academic progress on the thesis, a satisfactory defense of the thesis, or a satisfactory defense only. Grade is not counted in hours earned nor in	D	requirements prescribed by the instructor, but not in such a manner that higher level courses in the	1
the subject matter of the course, and/or failure to fulfill the requirements of the course. RF Remedial F. Used for developmental courses only. Grade is not counted in hours earned nor in grade point average. I Incomplete. Allows for an additional amount of time to complete a course, given at the discretion of the instructor per the Incomplete Grade Policy. HP High Pass. Outstanding academic progress on the thesis, or an outstanding defense of the thesis, or an outstanding thesis. Credit is awarded, but the credit hours are not used to calculate the grade point average. (Used for graduate-level thesis courses only.) P or Pass Pass. Credit is awarded, but the credit hours are not used to calculate the grade point average. Also listed as Pass. At the graduate level, represents satisfactory academic progress on the thesis, a satisfactory defense of the thesis, or a satisfactory thesis. RP Remedial Pass. Used for developmental courses only. Grade is not counted in hours earned nor in	RD	only. Grade is not counted in hours earned nor in	
only. Grade is not counted in hours earned nor in grade point average. Incomplete. Allows for an additional amount of time to complete a course, given at the discretion of the instructor per the Incomplete Grade Policy. HP High Pass. Outstanding academic progress on the thesis, an outstanding defense of the thesis, or an outstanding thesis. Credit is awarded, but the credit hours are not used to calculate the grade point average. (Used for graduate-level thesis courses only.) P or Pass Pass. Credit is awarded, but the credit hours are not used to calculate the grade point average. Also listed as Pass. At the graduate level, represents satisfactory academic progress on the thesis, a satisfactory defense of the thesis, or a satisfactory thesis. RP Remedial Pass. Used for developmental courses only. Grade is not counted in hours earned nor in	F	the subject matter of the course, and/or failure to	0
time to complete a course, given at the discretion of the instructor per the Incomplete Grade Policy. HIgh Pass. Outstanding academic progress on the thesis, an outstanding defense of the thesis, or an outstanding thesis. Credit is awarded, but the credit hours are not used to calculate the grade point average. (Used for graduate-level thesis courses only.) P or Pass Pass. Credit is awarded, but the credit hours are not used to calculate the grade point average. Also listed as Pass. At the graduate level, represents satisfactory academic progress on the thesis, a satisfactory defense of the thesis, or a satisfactory thesis. RP Remedial Pass. Used for developmental courses only. Grade is not counted in hours earned nor in	RF	only. Grade is not counted in hours earned nor in	
the thesis, an outstanding defense of the thesis, or an outstanding thesis. Credit is awarded, but the credit hours are not used to calculate the grade point average. (Used for graduate-level thesis courses only.) P or Pass Pass. Credit is awarded, but the credit hours are not used to calculate the grade point average. Also listed as Pass. At the graduate level, represents satisfactory academic progress on the thesis, a satisfactory defense of the thesis, or a satisfactory thesis. RP Remedial Pass. Used for developmental courses only. Grade is not counted in hours earned nor in	I	time to complete a course, given at the discretion	
not used to calculate the grade point average. Also listed as Pass. At the graduate level, represents satisfactory academic progress on the thesis, a satisfactory defense of the thesis, or a satisfactory thesis. RP Remedial Pass. Used for developmental courses only. Grade is not counted in hours earned nor in	HP	the thesis, an outstanding defense of the thesis, or an outstanding thesis. Credit is awarded, but the credit hours are not used to calculate the grade point average. (Used for graduate-level	
only. Grade is not counted in hours earned nor in	P or Pass	not used to calculate the grade point average. Also listed as Pass. At the graduate level, represents satisfactory academic progress on the thesis, a satisfactory defense of the thesis, or a
